

# Sunmaster 40T Fabric Roll-up Sunscreen

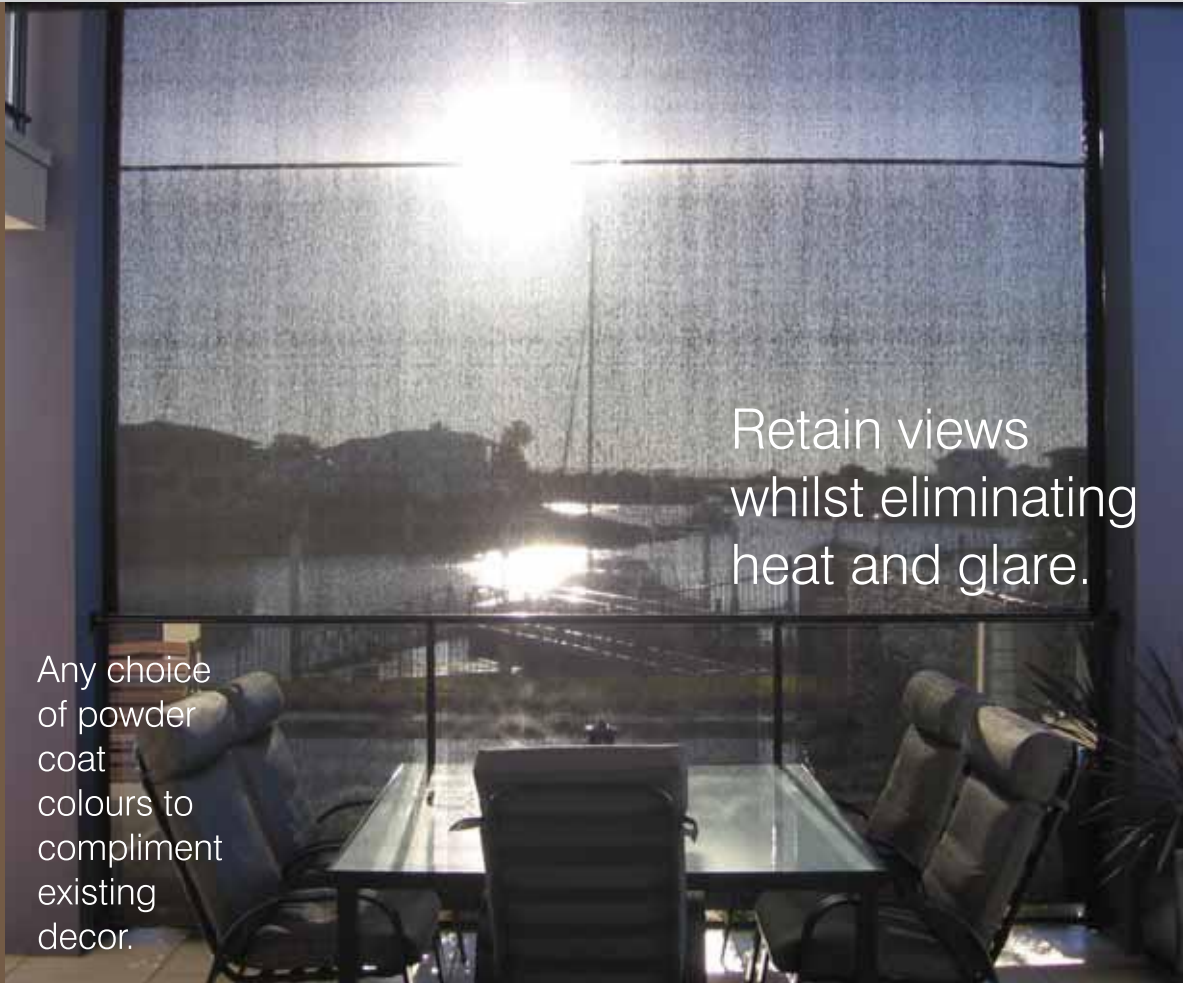

Robust Track System

Bottom Lock Pins

Options:

- Bottom Lock Down Pins
- Stainless Steel Bottom Bar

Retain views  
 whilst eliminating  
 heat and glare.

Any choice  
 of powder  
 coat  
 colours to  
 compliment  
 existing  
 decor.

Designed for larger exposed openings. This robust system has a specially designed extruded aluminium track which secures the bottom rail safely to its destination. It also incorporates a mohair ultrapile for anti-rattle and fabric protection.
